Sir,

I will, however, forward the correspondence to the Arch-deacon of Madras-the Government Official in question-and ask him to deal with the matter Meanwhile, I request that you will push on the improvements in the new cemetery and let me know when they have been completed They could be carried out within a few weeks

Please to understand that any official order informing me of the closing of the old Goripalya Cemetery must come from the Arch-deacon of Madras

I have the honour to forward herewith copies of correspondence which has been addressed to the Chaplain of the Fort Church, Bangalore, on the subject of the closing of the old cemetery in the Fort and opening a new one on the Mysore road

2. The Government of Mysore are evidently anxious to close the old cemetery in the Fort as soon as possible, and for many reasons it may be desirable to do so But before this can be done the new cemetery should be properly laid out, surrounded by a wall and marked out into various plots for -- burial

3 As will be apparent from the enclosed correspondence pressure is being brought to bear on the Chaplain of the Fort, who is officer in charge of the cemetery, to consent to the -- closing of the old cemetery and the opening of the new one before it has been completed I shall be much obliged if you will be so kind as to inform the Officiating Secretary to the Government of Mysore in the General and Revenue Departments -- that, before the new cemetery can be brought into use, it must be completed to the satisfaction of the Chaplain in charge of the Fort Church.

Sir,

Adverting to your letter No. 9986/M1.347-10 dated the 2nd June 1911, directing to have the necessary improvements to the New Christian Cemetery carried out and the old Goripalya Cemetery closed in communication with the Chaplain of the Fort Church, I have the honour to state that all the improvements suggested by the Chaplain of the Fort Church have been carried out in the New Cemetery on the Mysore Road and it is now quite fit for use-Vide copies of correspondence ending with letter No. 269 dated the 20th Ultimo from the Archdeacon of Madras in the matter-herewith submitted for kind information of Government.

2. As burials are still being continued in the Old Goripalya Cemetery, I beg to state that it is advisable to move the Archdeacon to expedite taking charge of the New Cemetery, with a view to the old Fort Cemetery near Goripalya being closed to prevent its being used by the public.

from the Municipal Engineer, Bangalore City.

It was proposed to close the Goripalya Cemetery and the Roman Catholic Cemetery near the Old Pioneercherry by providing new ones on the Mysore Road. The space allotted for these was walled in 1902 and a reference was made to Government with President's No. 163 dated 16th January 1903, reporting their completion The Roman Catholic Authorities closed their old cemetery and took charge of the new one which they are using now But the Protestant authorities said that the new cemetery should be properly laid out before they took charge of it Accordingly a sketch explaining how the cemetery was proposed to be laid out was submitted with this office o 2025 dated 3-3-1911 with a request that the Chaplain may be consulted in the matter The question was then referred to the Chaplain (Vide President's No 2036 of 6-3-1911) The Chaplain in his letter dated 24-3-1911, expressed his approval of the arrangements and suggested an approach road Accordingly, an estimate amounting to ₹184 was sanctioned in President's o 5 of 30th June 1911 The works were completed and shewn to r Hardy, the Lay Trustee of the Fort Church, who approved of the works as reported in this office o 504 of 16th September 1911 A reference was then made to the Chaplain in President's o 743 of 19th September 1911, asking him to inspect the place and express his opinion in the matter On 22nd Idem, the new gentleman wrote to say that he was pleased with the manner in which the Cemetery had been laid out and the well-kept appearance it presented and suggested this time a new item of repairing a portion of south wall Even this was done under an estimate for ₹2 sanctioned on 20th October 1911 16th November 1911, r Hardy wrote a letter that he visited the New Cemetery that morning and suggested some touch - here and there the Archdeacon was expected to

to visit the place shortly This was also complied with On 24th November 1911 Rev Foley wrote to say that the cemetery wanted drains which was never suggested or thought of on several occasions when the cemetery was inspected by the Revd gentleman A reply has been sent to him saying that the drains were unnecessary as reported in this office No 1072 of 14-12-1911

From the above, it will be seen that the taking over charge of the new cemetery is being postponed for some reason or other, though they were not such as to prevent them from using it. As reported in this office No above referred to, the Chaplain may be requested to take over charge of the new cemetery at once, so that the Old cemetery may be closed.

II Letter No 1387 dated 15-12-1911 from the President, City Municipal Council, to Revd Canon J W Foley, Chaplain of the Fort Church, All Saints' Parsonage, Shooley, Bangalore

---

With reference to the correspondence ending with the Municipal Engineer's letter No 1071 dated the 14th Instant to your address in re taking over charge of the New Cemetery on the Mysore Road, I have the honour to state that I fully endorse the opinion of the Engineer, and request you to take charge of the New Cemetery without further loss of time, as it is fit for all practical purposes

2 A case of burial is reported to have occurred very recently in the Old Goripalya Cemetery This seems to me to be highly objectionable, as the Cemetery has got inhabited houses all round I earnestly request that you will issue stringent orders against any further burials therein

3. As a reference has to be made to Government, I request the

the favor of being informed of the date on which the New Cemetery is taken charge of by you

III Letter No. nil dated 18-12-1911 from Rev Canon J W Foley, Chaplain of the Fort Church, to the President, Municipal Council, Bangalore City

---

In reply to your letter No 1387 dated 15-12-1911 and marked "Immediate", I have the honor to inform you that I have not the power either to take over charge of the new Fort Cemetery, or, to "issue stringent orders against any further burials" in the Old Goripalya Cemetery As I have told you before, the proper authority is the Archdeacon of Madras, to whom your letter will be forwarded without delay

He will doubtless communicate with the A C h E , Bangalore, and ask him to report on the drainage of the New Cemetery and whether it is fit to be taken over

IV Letter No 269 dated the 20th December 1911 from the Archdeacon of Madras and Bishop's Commissary, Madras, to the President, Municipal Council, Bangalore City

---

With reference to your letter No 1387 dated the 15th Instant addressed to the Revd Cannon Foley, I have the honour to state that the Revd Canron Foley is not competent to assume charge of the New Cemetery on the Mysore Road and that a reference has been made to the Honourable the British Resident in Mysore on the subject As soon as
